

## HIDETECH SERIES RECESSED TAB-TENSION SCREEN

- Model A applies to sizes 150"-240", Model B applies to sizes 92"-150"
- Easy installation with only 2 pcs threaded rods
- RF/ IR Remote Control, RS485, and Dry Contact etc. – the variety of control systems can also be controlled via central control

43

### Tension Adjustment System

With a unique adjustable auto tension system, the screen surface is taut and tensioned at every point to ensure a perfect projection surface. If adjustment is needed, the hexagon knob can be turned to ensure there are no wrinkles, V waves or imperfections.

\* Control options, installation and standard/optional accessories are the same as the Integrated Motorized screen

### Specifications

HT-Mlxx Integrated Motorized / HT-MFxx Integrated RF Motorized
