

Liberty Grandview

ELEGANT SERIES

PROJECTION SCREEN

MOTORIZED SCREENS

Motorized

Elegant series screens feature a sturdy yet attractive hexagon PVC coated metal casing. The standard installation bracket is suitable for a variety of applications, making the installation simple and convenient.

In-Line Switch

The In-Line Switch is the standard control option for motorized screens. No installation is required and the controls are simple to use. Press the "Up" and "Down" buttons to lower and retract the screen.

Wireless / Infrared Remote Controller (Optional Accessories)

The fabric drop & retract and micro control can be achieved by controller. The remote distance is 8 meters.

Installation

Default screen installation option
The screens are available in different secure installation methods.

Optional bracket installation methods
Optional bracket accessories, optional hidden installation or wall mounted

Installation bracket for screens 150' and above

Installation bracket for screens under 150'

2-D view
