## PORTABLE Series

Projection Screen

### U-Work Series

The perfect solution for table-top projector display

As the portable LED projector and mobile phones with projection capabilities are gaining popularity, the U-Work screen offers an excellent viewing experience compared to the traditional laptop and brings customers a better viewing experience for portable business. The latest design of the U-Work screen with the self-stand base foot allows the screen to be stopped at any desired position.

- Extreme portability - the 40"U-Work screen only weighs 1.3KG.
- One button locking mechanism allows the screen to be unlocked automatically when turning out the base foot.
- Using the self-standing arm, the screen can be stopped at any desired position.
