

# MEGAPOWER

## Professional Laser Pointer *MP-1800*

*The Laser  
Pointer for  
Professional  
Presenters*

The MEGAPOWER MP-1800 laser pointer is designed for the professional presenters. It has a clip for attachment to pocket, purse or notepad for safe keeping and immediate access. Its unique design prevents pointer from rolling off podium or table.

MEGAPOWER has created a line of durable, high-quality laser pointers that can elevate your presentation to the next level. The laser pointer is perfect for training and educational classes, conferences and seminars, sales presentation, construction projects, museum and art galleries, tour guides and many other applications.
