

FANCY SERIES

Modern Minimalist Design

No matter the installation environment, the Grandview Fusion Series is designed to seamlessly integrate with any type of decor. The new bottom bar features the patented Spring-Sealed System ensures a smooth closure into the casing with an enclosed finish.

FANCY SERIES MOTORIZED SCREEN

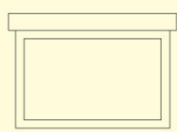

- Control Port**: A small port on the side of the screen casing.
- Fully Enclosed Casing**: The screen is housed in a sleek, modern casing.
- Patented Spring-Sealed System**: A mechanism at the bottom of the screen that ensures a smooth closure into the casing.
- Screwless End Caps**: End caps that allow for easy installation without screws.
- Limiters for Over Retraction**: A feature that prevents the screen from retracting too far.

If the retraction limit is over adjusted, the limiter prevents it from going further

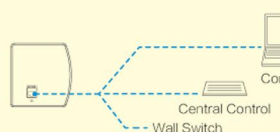

- Model A applies to sizes 150"-240", Model B applies to sizes 92"-150", Model C applies to sizes below 120"
- Floating Wall Mount / Ceiling Mount / Suspended Mount - various mounting options make the installation easy and quick
- RF/IR Remote Control, RS485, Dry Contact Control etc. - the variety of control systems allows controls to be done via central control or remote control

Built-in RF/IR remote control, IP control, Dry Contact control and integrated quiet motor
