- Designed for table-top ultra-short-throw projectors
- Patented fabric tension design, time saving and easy operation
- Sliding wall mount kit is included for adjustable alignment

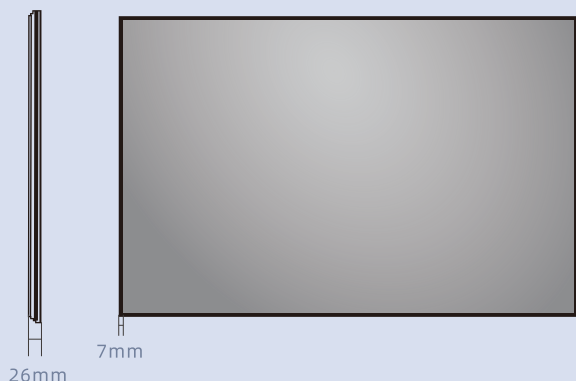

Unique fabric tension design

Seamless corner connection

◆ The **Ultra Thin Zero Edge Frame** is our high end home cinema setting. Elegant frame design, 7mm or 0mm frame based on your own request, only 26 thick from front to the back. The ZERO EDGE design resembles a giant size flat panel TV display and includes an ultra-thin trim as an installation option to further enhance the overall appearance. Joint frame design saving the packing size, make it easier to deliver to high stairs apartment and easier for shipping.

Format	Diagonal	Viewing Area	Frame Size
