

EASY FOLD

PORTABLE SCREEN

Vega Easy Fold Screen is specially designed for events, delivering presentation anytime and anywhere. It comes with a freight case for easy traveling. Its reinforced structure is suitable for either indoors or outdoors activities. Both front or rear projection fabrics are available.

EASY FOLD PORTABLE SCREEN

STURDY FRAME DESIGN

Sturdy frame design with folding hinges. Can be easily erected without the need for tools.

USER-FRIENDLY

The height of the frame can be adjusted to give the optimum projection height by simply adjusting the button.

DRAPE (OPTIONAL)

Optional drape kit can be used to mask the bottom as well as the surroundings of the viewing area of the screen.

CONVENIENT

All the frames, legs and fabrics can be packed into freight case for easy transportation and storage.
